Dr. Robert Falconer,
President, Toronto University,
Toronto.

Dear Sir,-

The National Municipal League of the United States have unanimously accepted an invitation from the City Council to hold their Annual Convention in this City in November next.

Recognizing the importance of this body and the advantage to be derived from the proposed meeting, the City Council have directed me to ask that three representatives be appointed from the Toronto University to act with the Special Committee of the City Council to make arrangements for the Convention and for the reception and entertainment of the delegates thereto.

Your obedient servant,

W. A. Finlayson

City Clerk.
